### Elkhart County Sheriff Brad Rogers released the following statement:

I am pleased to voice my support for Curt Nisly in the Republican primary election for Indiana State House District 22, which includes parts of Kosciusko and Elkhart Counties. Curt Nisly has a political philosophy similar to mine--one rooted in the safeguards of the Indiana and United States Constitutions.

These are trying times for freedom, and we need principled leaders at the State House who will work to reverse the growth of government power. I have every confidence Curt Nisly will be a strong voice for liberty and a responsive legislator for his constituents in House District 22.
